College Dorm Room Shopping Guide

Buy ENERGY STAR® certified products:

- Laptops and tablets
- Power strip (preferably with timer & occupancy sensing)
- Mini-fridge (can you share one?)

Buy LED lighting:

- LED twinkle lights
- LED desk lamp
- LED light bulbs

Look for this label when buying products!

- Quick drying towels and drying rack (good for your clothes & the planet)
- Blackout blinds/shades/drapes (lets you sleep & save energy)
- Flannel sheets, down comforter, fleece (stay warm without using energy)
- Electric kettle (wastes less energy than a microwave)
- Desk fan (wastes less energy than AC)
- Solar cell phone/battery charger
- Bike, skateboard, or comfy shoes (good-for-you, carbon-free way to get around campus)
